SHAPING THE FUTURE.

## Showcase your brand: Align with innovation

### A dedicated Exhibition Space at the Summit

For leading-edge brands, manufacturers and innovators to showcase the products, materials, and ideas shaping the future of fibre, fashion, and textiles in Aotearoa and the world.

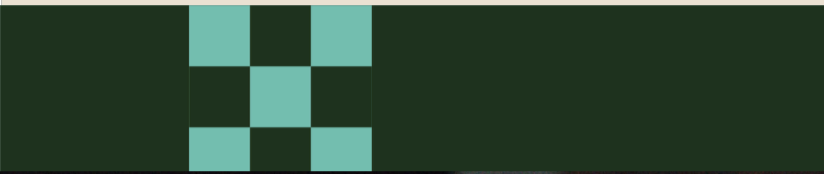

Positioned at the heart of the event, this high-traffic area offers sponsors an exclusive platform to engage directly with industry leaders, changemakers, and media.

It's a space for storytelling, discovery, and connection - spotlighting innovations aligned with a regenerative, circular, and sustainable future.

### Exhibiting at the Innovation Hub provides:

- **Brand Visibility:** Prominent signage and branding in the central event space
- **Product Showcase:** Opportunity to display your solutions to a highly engaged audience.
- **Leadership:** Reinforce your commitment to sustainable innovation.
- **Connection & Influence:** Direct access to decision-makers across the fibre and fashion value chain.

# TARGET AUDIENCE

## NZ's Fibre, Textile and Fashion Industry

The Summit will bring together over 200 decision makers, leaders and practitioners from across the sector who understand the importance of creating enduring, sustainable value, innovation, and showcasing Aotearoa's leadership.

Convening fibre and textile producers, designers, product manufacturers, specifiers, architects, brands, retailers, innovators, researchers and policymakers, we will build connections, share best practices, explore innovations & foster collective problem solving.

Expect industry-leading discussions, action-oriented sessions, original case studies, and unparalleled networking opportunities.
